

# The Oilfield's Choice For Ram Rentals

## Variable Ram Solutions...Dependable Results

Variable Bore Rams, Inc. (VBRI) provides operators; drilling contractors; oilfield service companies; and drilling, workover and completion businesses – domestic and international – with the highest quality OEM rams and elastomers in the industry.

As an exclusive OEM rental provider, with a new modern facility and climate-controlled elastomer storage warehouse, VBRI offers customers the largest ram inventory — including Cameron, Hydрил and Shaffer (NOV) varieties — that meets and exceeds OEM, API, NTL and BOERME requirements.

Safety, quality, availability...VBRI is the Oilfield's Choice for Ram Rentals.
